

FAMILY PLANNING 2020: Reference Group Teleconference

April 12, 2016

10:00am – 11:30am EST

OBJECTIVES

1. Introduce and welcome new Reference Group members
2. Position the FP2020 Reference Group for a successful meeting in June by discussing time-sensitive issues and teeing up priority discussions that warrant additional attention and in-person dialogue:
 - a. Implementing FP2020's new strategic direction
 - b. Galvanizing the family planning community to increase efforts towards 2020
 - c. Progress toward the 2020 goal
 - d. Influencing and integrating with the new global financing, accountability and development mechanisms
3. Reference Group members highlight actions taken to champion and lead advocacy efforts for family planning in their individual and institutions roles since their commitments at the October 2015 meeting; provide new Reference Group members with an opportunity to make commitments
