

FP2020: ADVOCACY AND CIVIL SOCIETY ENGAGEMENT PORTFOLIO AT A GLANCE

VISION BY 2020+

A meaningful and sustainable engagement of civil society in advancing advocacy and accountability to accelerate progress toward achieving FP2020 and Sustainable Development Goals

OBJECTIVES BY 2020+

GLOBAL LEVEL

- Elevate the global family planning agenda through evidence-based advocacy
- Strengthen high-level political engagement and momentum around FP2020 commitments
- Enhance alignment of global advocacy efforts among civil society partners

COUNTRY LEVEL

- Strengthen the engagement of civil society and maximize their contribution to FP2020 commitments
- Accelerate local action and impact through a well-coordinated FP2020 civil society focal point structure
- Strengthen technical capacity of civil society partners to advance FP2020 goals
- Enhance the role of civil society in accountability and monitoring of FP2020 commitments

FOCUS AREAS AND PARTNERS

- Increase donor funding and sustainable domestic financing for family planning (FP)
- Strengthen the supply chain for FP/RH commodities and expand range of available contraceptives
- Meet the reproductive health needs of adolescents and youth
- Reach the hardest to reach/women and girls in crises/humanitarian settings with FP services
- Improve quality of FP programs
- GGF, AFP, PAI, UHC, PHC, TAC
- RHSC, GFF
- IYAFP, WHO, Restless, Pathfinder, PMNCH
- IAWG, CARE
- Pop Council, IPPF, MSI, PAI, Pathfinder, WRA, Jhpiego
- Others
- Mobilize domestic resources/budget advocacy
- Foster use of data for evidence-based advocacy
- Engage broad-based civil society partners at the national and sub-national levels (CSO mapping, coalition building, CSO engagement strategies)
- Develop and implement advocacy plans and strategies (campaigns, messaging, high-level advocacy, increasing political will)
- Track commitments (CSO-led accountability)
- Country-level CSOs
- Country-level FBOs
- Country-level Youth-led organizations

FP2020 SECRETARIAT'S ROLE

- Strengthen a global broad-based FP movement
- Collaborate with partners to set global advocacy agenda
- Link country efforts to global initiatives and discussions
- Share information and best practices
- Function as a liaison between CSOs, focal points, and donors
- Support the convening of in-country CSOs
- Connect CSOs with technical experts
- Coordinate cross-country/regional learning
- Highlight best practices/tools for possible scale-up
- Support CSO-led accountability efforts
