

FP2020 AT WOMEN DELIVER

VISIT BOOTH #540-549 TO LEARN MORE ABOUT THE POWER OF FAMILY PLANNING

June 4

10:30 AM - 12:00 PM

Room 202

Concurrent Session: Not Optional! SRHR Essential to Humanitarian Action

Participants will learn how essential services can be ethically and effectively provided to meet the needs of girls and women affected by crises.

June 4

5:00 PM - 7:00 PM

Room 213

Beyond 2020: The Future of the Global Family Planning Partnership

Join us for a reception and discussion on FP2020 progress since the 2012 London Summit and reflections on the future of family planning beyond 2020. Participants will review and discuss preliminary findings of the ongoing global consultation to define a vision for rights-based family planning to 2030.

EVENTS:

June 4

1:30 PM - 2:30 PM

Room 114-115

Concurrent Session: Getting it Right: Family Planning and HIV Services

Important upcoming studies will help us better understand the interaction between hormonal contraception and HIV acquisition. How can these sectors work together to prevent unintended pregnancy and HIV and ensure rights-based care?

June 4

3:30 PM

Power Stage

FP2020 Executive Director Beth Schlachter discusses what this global partnership has learned to date about accelerating access to contraception for all women and what's needed after 2020.

June 4

1:35 PM

Power Stage

Onyinye Anita Edeh speaks about the tragic consequences of depriving girls and young women of accurate and comprehensive information about their sexual and reproductive health and rights, and how this education is critical to achieving the SDGs.

June 5

8:30 AM - 10:30 AM

Plenary Hall

The Power of Integration and Scale: Driving Big Global Social Change

FP2020 Reference Group Member Manasa Priya Vasudevan joins a distinguished panel discussing how we create cross-sectoral and multi-disciplinary approaches to solving problems and what factors are needed to scale an idea or program.
